The Monitor Dental Practice Program

Participant Consent Form

Is non-invasive management of dental caries a cost-effective solution?

Chief Investigator :

Associate Professor Wendell Evans MDS DDSc *Otago*
Community Oral Health and Epidemiology,
University of Sydney, Westmead Centre for Oral Health

Co-researcher:

Professor Eli Schwarz DDS MPH PhD
Dean, Faculty of Dentistry, University of Sydney

Co-researcher and PhD student:

Dr Bradley H. Curtis BDS (*Hons*) MPH (*Hons*) *Sydney*
Department of Community Oral Health and Epidemiology
Faculty of Dentistry, University of Sydney

PARTICIPANT CONSENT FORM

Title: Is non-invasive management of dental caries a cost-effective solution?

I, , give consent to my participation in the

Name (please print)

research project entitled:

Is non-invasive management of dental caries a cost-effective solution?

In giving my consent I acknowledge that:

1. The procedures required for the project have been explained to me, and any questions I have about the project have been answered to my satisfaction.
2. I have read the Participant Information Sheet and have been given the opportunity to discuss the information and my involvement in the project with the researcher/s.
3. I understand that I can withdraw from the study at any time, without affecting my treatment or my relationships with the researcher(s) now or in the future.
4. I understand that my involvement is strictly confidential and no information about me will be used in any way that reveals my identity.
